Admiral W. S. Raborn
Director, Central Intelligence Agency
Washington, D. C. 20505

Dear Admiral Raborn:

It is my pleasure to invite your submission of nominees for the
twelfth annual Career Service Awards of the National Civil Ser-
vice League.

The enclosed announcement, copies of which are being supplied to
your personnel office, describes the program and outlines proce-
dures for your submitting up to three candidates. We would appre-
ciate submission of your nomination materials by December 20, 1965,
or sooner, if possible.

The stature of this program to recognize significant achievements
of career employees grows each year. This is due not only to the
quality of the Awardees, but also to the support given the event
by the President and participating officials. The enclosed book-
let dedicated to last year's winners indicates some of this sup-
port and illustrates the color, prestige, and positive publicity
attendant upon the program.

Thanks for giving this invitation your personal attention. The
League is pleased and proud to make this contribution to public
recognition of quality in government service and we appreciate
your help in making the program a success.

Sincerely,

J. Edward Day

Career Service Awards

Purpose

This National Civil Service League program is undertaken to strengthen the public service by bringing national recognition to significant careers in the Federal service.

The League will grant awards to ten career employees who exemplify in an outstanding manner the primary characteristics of the career service: efficiency, achievement, character, and service. Extensive publicity through television, radio, magazines, and newspapers will be given to the selections and the presentation of the awards.

The Award

The Career Service Award recipients will be presented with a scroll and will be guests of honor at a dinner in Washington, D. C. to be addressed by a nationally prominent speaker and attended by many leaders of government, business, education, and the professions.

Basis of Selection

1. Efficiency and achievement

A record of exceptional efficiency; evidence of sustained superior performance and accomplishment.

2. Character

A record of integrity and devotion to the principles of public service.

3. Service

At least 10 years (including military service), not necessarily all in one agency. This must give evidence of achievement and career progression.
